The product(s) on this certificate and the Technical File have been assessed and found to be in conformity with the applicable Essential Health and Safety Requirements in Annex I of the PPE Regulation 2016/425.  
The design, manufacturing location or manufacturers of the PPE product certified here must be advised to CCOS Certification Services Limited for review.  
CE marking shall not be applied until the requirements of the PPE Regulation 2016/425 and relevant EN Harmonized standards and/or Technical specifications have been met.  
If the certified product is Category II then this certificate is only valid if used in conjunction with Conformity Assessment against Module C2 or Module D.  
This certificate remains the property of CCOS and must be withdrawn at any time if it is considered that the equipment is no longer in conformity with the requirements of the PPE Regulation 2016/425.

 Approved by Issuing Government as a Notified Body to CE marking in China
